Sprig

Tables

PRODUCT INFORMATION SHEET

HAWORTH®

Brought to life by Patricia Urquiola and Haworth, Openest lounge furnishings bridge the unexpected and familiar—bringing a distinctly new perspective to the work landscape.

By providing essential work surfaces for work tools and personal items, Sprig tables intuitively support collaborative spaces. Use alone or blend several tables of varying heights and shapes to create layers and impart visual rhythm to the landscape. Designed to correspond with the scale, lines and colors of other Openest elements, Sprig tables can also easily stand on their own. Available in solid plank white oak or walnut, or with a painted finish, and complemented by painted aluminum legs.
