Connection Zone™ Storage

Connection Zone Storage keeps workstations neat and organized as environments transition to more efficient open, collaborative environments.

Personal credenzas provide a compact storage solution that integrates seamlessly with Connection Zone Benching. Credenzas discreetly tuck under worksurfaces storing personal items to maximize floor space. Optional upholstered pads serve as additional seating and are available in an array of fabric options.

Connection Zone lockers are a perfect fit for environments with unassigned, temporary workspaces. Lockers feature a range of security options to safeguard personal belongings; accommodating temporary to permanent accessibility.

Locker units provide ample room for jackets, bags and other personal items, minimizing clutter.

Back-to-back credenzas optimize floor space while providing individual storage for users.

Choose from four locker security options.

Standard lock

Padlock

Combination lock

Digital lock
