Redefine modern with Soltice

Metal.

With superior attention to detail, award-winning designer Paul James has taken the incomparable durability of steel and refined it to an art form in Soltíce Metal.

"My vision with Soltíce Metal was to take the established design of classic Soltíce, with its beautiful, inviting curves, and give it a fresh form. Its modern silhouette offers a stunning simplicity and creates a clean and contemporary aesthetic suitable for all environments."

TOP: Lounge loveseat in Pallas® Textiles' Trellis Slate; Wet Sand frame; Monticello Maple on Beech arm caps. Lounge chair in Trellis Slate (back) and Heritage Blonde Bombshell (seat); Wet Sand frame; Monticello Maple on Beech arm caps. Club and console tables in Monticello Maple on Beech with Wet Sand frames. Single chairs in Heritage Blonde Bombshell; Wet Sand frames; Monticello Maple on Beech arm caps. Itoki DD Table in Frosty White laminate with Starlight Silver Metallic frame. Exude task chair in black.

Strong yet surprisingly lightweight, Soltice Metal marries alluring mid-century style with modern versatility and enduring appeal. Its thin visual profiles and lightness of scale provide a fresh perspective to metal-frame designs.

TOP: Multiple seating in Pallas® Textiles' Heritage Blonde Bombshell and Mosaic Opal; Monticello Maple on Beech arm caps and connecting and coffee tables; Wet Sand frames.
 BOTTOM LEFT: Motion-back patient chair in Pallas® Textiles' Terra Opal (back & arms) and Terra Emerald (seat & ottoman); Sand frame; Sand poly arm caps. Dante cabinet in Biltmore Cherry.
 BOTTOM CENTER: Fixed-back patient chair in Pallas® Textiles' Terra Opal; Sand frame; Sand poly arm caps. Table in Cinnamon on Beech with Sand frame.
 BOTTOM RIGHT: Multiple seating in Pallas® Textiles' Urbanized Springtime (backs), Sandstone Light Emerald (seats); Cinnamon on Beech arm caps and connecting and coffee tables; Sand frames.

Minimalistic in its design approach, Soltice Metal maximizes purposeful form and function, resulting in a supportive solution for a variety of high-performance environments.

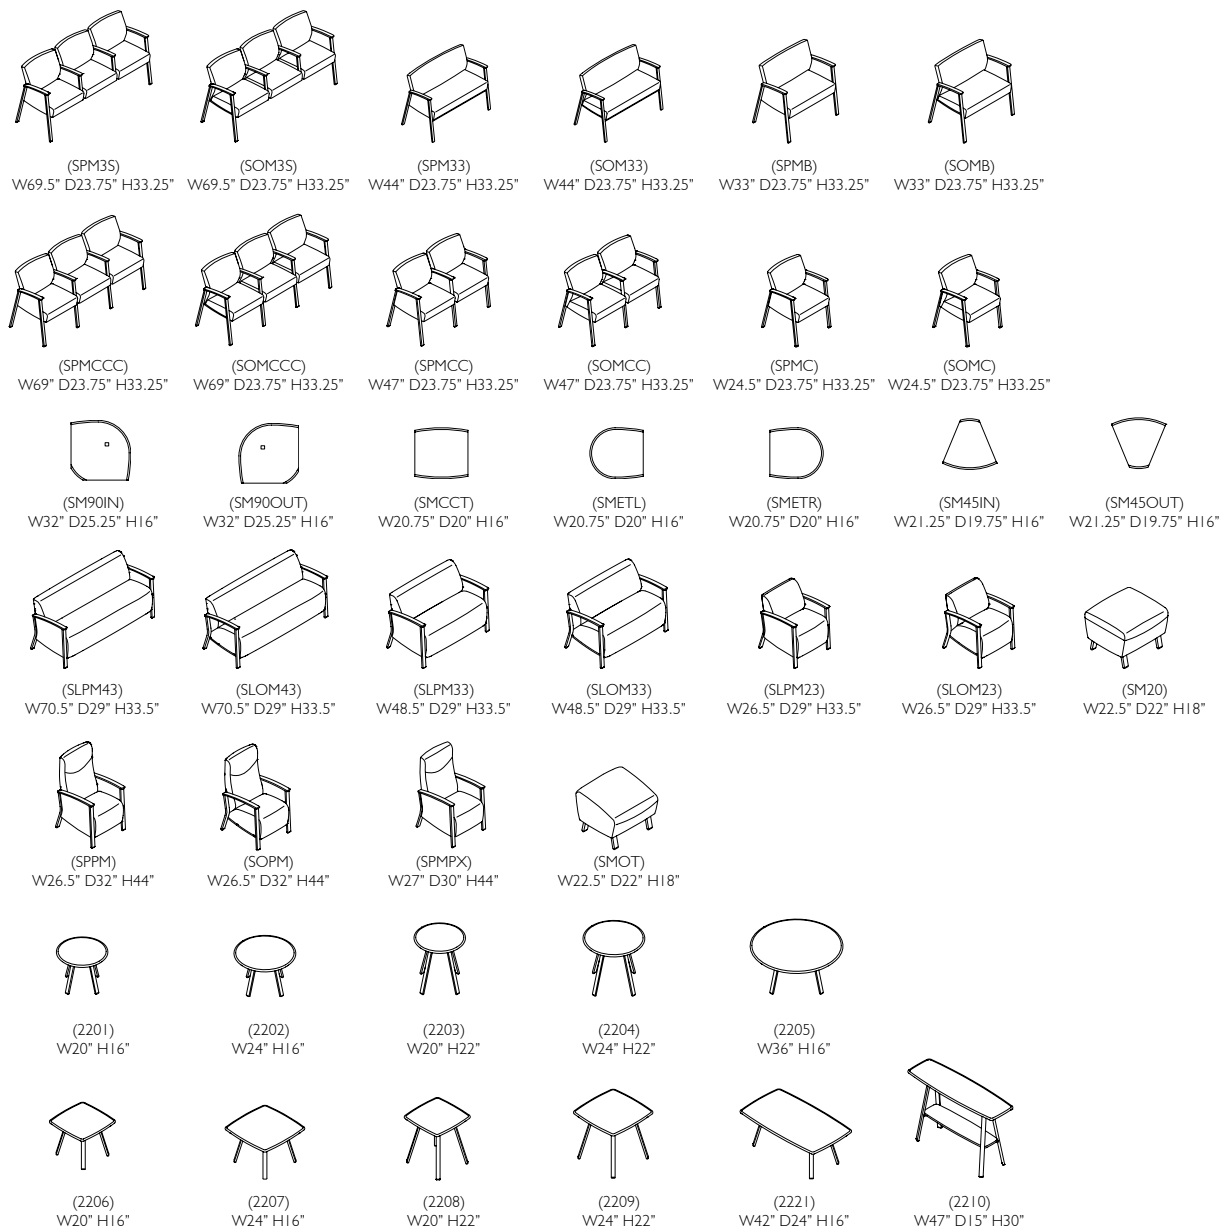

The comprehensive collection elegantly enhances space with its slim scale and allows for true versatility in design application and specification.

Statement of Line

The Soltice Metal Collection features lounge seating, multiple seating (including guest and bariatric options), patient seating and occasional tables.

SPECIFYING NOTES:

- Bariatric options tested to accommodate up to 750 lbs, supporting user safety and dignity
- Designed for ease of ingress and egress to support user safety
- Field replaceable components support environmental and sustainable initiatives
- Lifetime warranty comes standard with each piece in collection
- Pallas® Textiles offers a variety of high-performance fabric options that withstand the rigors of repeated patient care

The finishes and upholsteries shown in this brochure are a representation of those noted on the pages. In order to obtain a more accurate specification, please order finish and memo samples directly from ki.com/literature or pallastextiles.com.
