Furnishing Knowledge<sup>®</sup>

Designed by Giancarlo Piretti, Torsion Air nesting chairs are available with arms, armless, flip-up tablet, or Piretti tablet and provide nesting chair solutions for any application. The Torsion Air seating collection also includes stack chairs, task chairs, and task stools.

Nests for easy storage and mobility.

Mesh back available in black or grey mesh.

Patented torsion flex mechanism gradually increases resistance over the full 12 degrees of back flex.

## Torsion Air® Nesting Chair

Discover the essence of clean, modern, conforming comfort. This fresh interpretation of KI's classic flex-back Torsion combines a lighter visual impression, breathability, and exceptional comfort.

Breathable mesh back allows for air ventilation and natural coolness for reviving comfort. The supple, flexible mesh conforms to the unique curvature of your back and provides integral lumbar support.

Torsion Air is ultra strong and durable. This chair is tested and warranted for use by persons 300 pounds or less.
