Generation I Wallsaver Recliner shown with optional casters.

Perth® Recliners

The Perth Recliner provides comfort, ease of use and attractive styling. It has a structural steel frame to ensure durability.

Built to withstand the rigors of daily use, the Perth II Recliner offers easy-to-operate controls for optimum safety and maximum comfort. Caregivers appreciate the effortless 360-degree rotation, as well as the stability provided by the central-locking casters.

Perth Recliners complement the entire Perth product line to ensure aesthetic continuity within healthcare environments.

Designed by Daniel Cramer.
