RAPID READINESS BOX

THE BETTER WAY TO **SHIP, STORE, AND USE** MILITARY SUPPLY.

Rapid Readiness Box is a **durable, efficient, and secure** deployable storage solution that's an alternative to wooden shipping crates. Originally designed to store and transport expeditionary shelters, Rapid Readiness Box can also be used for tools, communications gear, and other military supply. Rapid Readiness Box is compatible with current DoD directives, allowing you to increase readiness, reduce footprint, and prevent property loss. Made with pride in the USA.

SHIP IT.

STORE IT.

USE IT.

INCREASE READINESS

Store it how you ship it! No more building, repairing, and re-packing wooden crates for efficient transport.
