

HAWORTH

Zody LX

Task Seating

Building upon Haworth's legacy of seating research and expertise, Zody® LX delivers unmatched ergonomic comfort for more people in every posture. The dual posture option supports sitting and the in-between of sit-to-stand, making Zody LX the only chair anyone needs for a height-adjustable table. In addition to proven performance and comfort, Zody LX is built with sustainability in mind and features a fully upholstered, pebble-shaped back to offer greater design choice.

Features

- Dimensionally more accommodating seat and enhanced arms provide a greater range of ergonomic support for more people
- Dual posture option supports seated and the in-between "perch" posture of sit-to-stand; ideal for use with a height-adjustable table
- Fully upholstered, pebble-shaped back design
- Flexible inner membrane and a height adjustable lumbar provide ergonomic support
- 4D arms fluidly adjust in height, side to side, front to back, and arm cap pivot position; also available with fixed or height-adjustable arms
- Upholstery options include fabrics, faux leather, leather, and bleach cleanable materials suitable for healthcare applications
- 12-year, 24/7/365 warranty, up to 400 lbs.
- For a mesh or digital knit back option, consider Zody II
