Collaborate

Carts

Collaborate® accessories support collaboration by empowering people to do their best work—no matter their workstyle. Multi-use carts provide a range of options to bring hospitality items, collaborative tools, and markerboards from space to space—helping people work the way they want, supporting meeting mobility, and offering flexibility as needs change.

Features

- Team cart easily moves hospitality items, work tools, and up to two markerboards (with optional markerboard rails) anywhere there is a need
- Dual ergonomic handles and three shelves
- Add a pivot tray or accessory drawer for small-item storage
- Add a markerboard ledge for idea sharing
- Board cart holds, sorts, and transports up to seven tablet markerboards (nine, with optional markerboard rails) from space to space as needed
- Ledge displays one markerboard; sorter holds multiple markerboards without smudging for easy storage and transport
- Includes marker and eraser tray
- Single ergonomic handle and bottom-shelf storage
- PET sorter and shelf liner
- Designed for no wasted space, with no visible fasteners
- Broad range of colors and material options
