Task Seating Guide

YOUR BEST WORK STARTS
WITH THE RIGHT SEAT

Breck

- **Auto-Adjust Comfort** – Weight-activated tilt responds to you.
- **Tool-Free Assembly** – Snaps together in under a minute.
- **Eco-Smart Design** – 55% recycled, 94% recyclable, low CO₂ footprint.
- **Customizable Fit** – Adjustable lumbar, seat, and arms.
- **Compact Shipping** – 3x more chairs per truck for fewer emissions.

Very

- **Patented Lumbar Support** – Asymmetrical adjustment customizes to your spine's natural curve.
- **Dynamic Back Options** – Flexible mesh or knit backs with targeted support.
- **Custom Comfort** – Adjustable seat depth, optional forward tilt, and 4D arms.
- **Easy to Clean** – Soap, disinfecting wipes, or bleach-cleanable materials.
- **Versatile Family** – Task, conference, stools, and guest seating options.

Zody LX

- **Dual-Posture Support** – Seamlessly shifts between seated and perching postures.
- **Certified Sustainability** – First furniture Cradle to Cradle Certified® Bronze v4.0.
- **Inclusive Comfort** – Roomier seat for broader ergonomic support.
- **Enhanced Back Fit** – Flexible membrane and adjustable lumbar for tailored support.
- **Premium Upholstery** – Fabrics, leather, and bleach-cleanable options for any setting.

Fern

- **Wave Suspension™** – Patented system supports your entire spine from neck to pelvis.
- **Edgeless Comfort** – Responsive design allows full range of movement.
- **Tailored Fit** – Adjustable lumbar and 4D arms for personalized support.
- **Advanced Tilt** – Synchronized recline with 5-position back stop and forward tilt.
- **Durable + Cleanable** – Wide range of colors, stain-repellent options, and bleach-cleanable fabrics.

Soji

- **Effortless Adjustability** – Intuitive controls, tilt lock, and optional forward tilt.
- **Tailored Comfort** – Patented adjustable lumbar and multiple arm options.
- **Cleanability Options** – Bleach-cleanable fabrics and faux leather choices.
- **Versatile Design** – Choose from knit or upholstered backs in 11 colors.
- **Stool Variant** – Available as a stool with extended height range.

Zody II

- **Independent Lumbar** – Patented pelvic and asymmetrical lumbar support customizes each side of your lower back.
- **Dual-Posture Ready** – Supports both seated and perching postures for sit-stand desks.
- **Custom Back Options** – Mesh, digital knit, or upholstered jackets in a range of colors.
- **Coordinating Styles** – Matches fully upholstered Zody LX seating for cohesive spaces.
- **4D Adjustable Arms** – Fluidly move in height, width, depth, and pivot.
