PROJECT PROFILE:

Schofield Barracks Hawaii

PROJECT DETAILS

In 2017, the Systemcenter, Inc. completed installation of furniture and equipment at the Aloha Center, located at Schofield Barracks on Oahu. The Systemcenter was selected by the U.S. Army Corps of Engineers (USACE) to install furniture and equipment on all 3 floors of the Aloha Center building. The Systemcenter used Haworth furniture to furnish the administrative areas with workstations, educational areas, lounge areas, reception areas, and storage areas.

Lockers & Secure Storage

Heavy-Duty Lockers

Our lockers are designed for heavy use and for long term operation. Locker cabinets come fully welded with double walled doors and full piano hinges for effortless operation and strength.

All lockers are powder coat painted. Customizable gear lockers and duty bag lockers are an ideal way to create secure storage spaces for police and military equipment. Choose from a variety of styles and sizes to suit your needs and your space.

Features:

- Rugged steel construction
- Durable textured powder coat paint
- Doors available with diamond perforated mesh (solid or louvered doors also available)
- Box construction double thickness doors
- Stainless steel lock plate and handle with optional locker number plaque
- Four lock types available: Hasp only (for padlock), keyed, combination, or electronic
